

# OPERATION ORCHARD

Chatham Academy wants to transform the back garden into a citrus orchard!  
But we need your help to make it happen.

Easy to maintain, the orchard will be an outdoor learning space where students can be an active part in tending to the orchard and learning about plants, pollination, bees/bugs, cultivation and nurturing.

We want to get the students excited and are asking them to get involved.

Leaf and Fruit sponsors will get to add their creation to the Operation Orchard bulletin board.

Tree sponsors will have their name incorporated into the orchard.

Follow us on Facebook and watch the tree grow as we post updates.

I wish to be a part of Operation Orchard

\_\_\_ \$1 Leaf Sponsor                      Student Name \_\_\_\_\_

\_\_\_ \$20 Fruit Sponsor                      Sponsor Name \_\_\_\_\_

\_\_\_ \$75 Tree Sponsor                      Sponsor Name \_\_\_\_\_

\_\_\_ Volunteer on Planting Day      Volunteer Name \_\_\_\_\_

Payments can be made via cash or check at the front desk, or via Venmo.
